Voting Information

Registering to Vote

Who may register to vote in Virginia? Any U.S. citizen whose home is in Virginia and who will be at least 18 years old by the next general election, is not convicted of a felony, and is not adjudicated mentally incompetent.

When may I register? Year-round, except during the 21 days before a general or primary election or the 14 days before a special election.

How much does it cost? Voter registration is free.

Do I need special information to register? You must furnish, under oath, your full legal name, home address, date of birth, social security number, and any previous place of registration. You must also show—or send a copy of—ID such as your driver's license.

Do I have to register by political party affiliation? No. The Commonwealth of Virginia does not have registration by party.

Where can I register to vote?

- Online at elections.virginia.gov
- In person at Voter Registration Office
- Public libraries
- DMV offices

Staying Eligible to Vote:

Do I have to register for each election? No. As long as you do not move, you are qualified for Federal, State, and local elections, including primary and special elections.

What must I do if I move to another city or county within Virginia? Submit a signed change of address notice to the locality you are moving from and your registration will be transferred to your new locality. You may also submit a change of address online at <http://elections.virginia.gov> or visit any registration site and complete a new application for voter registration.

What should I do if I have changed my name or my local address since the last election?

Voting on Election Day

Where will I vote? The registrar will send you a voter registration card with the name and location of your polling place. You will also find your districts listed on the card so that you can refer to this brochure for the people who represent you in our government.

When are the polls open? The polls open at 6:00 am and close at 7:00 pm. If you are in line by 7:00 pm you may still vote.

When do general elections take place? General elections are held on the Tuesday following the first Monday in November. Town of Buchanan, Town of Fincastle, and Town of Troutville elections are held every two years on the first Tuesday in May.

What is a party primary? The Democratic and Republican parties may nominate their candidates by either a primary election or by convention. If the party asks for a primary election for the November election, it will be held on the second Tuesday in June.

Can anyone vote in a primary election? If you are a registered voter, you may vote in any primary. However, if a primary is held for both parties on the same day in the same election district, you must choose in which party primary you wish to vote and may vote in only one.

What if I moved within the 29 days the books are closed? You are eligible to return to your old precinct and vote. You must change your address or name at that time to be eligible for future elections. If you move out of the Commonwealth, you will not be allowed to vote except in Federal elections for President and Vice President only.

Voting Absentee

Who may vote absentee? Any registered voter who expects to be out of the county on election day or whose work hours prevent getting to the polls, or who cannot go to the polls because of a physical disability or illness, or who cannot go to the polls because of being the caretaker of a disabled family member who is unable to leave home.

How do I apply for an absentee ballot? Request an application for an absentee ballot from your registrar by phone or in writing or on-line at the State Board of Elections website (www.sbe.state.va.us). The application can also be faxed. Applications that need be filed only once a year can be obtained for those with long-term illness or disability.

When can I apply for an absentee ballot? As early as 12 months before an election. If applying by mail, your application must be received by the registrar the Tuesday before the election. You can vote in person as soon as the absentee ballots are ready (usually 30-45 days before the election) and up to 4:30 pm on the Saturday before the election.

How can I vote an absentee ballot? Once you have received your ballot, follow the instructions enclosed with the ballot. Return it in the envelope provided to the Electoral Board by mail or in person to be received by the deadline of 7:00 pm election day.

If I become hospitalized shortly before the election, can I vote? Yes. If you are hospitalized on or after the Thursday before an election. Or if you go to the hospital in the two weeks before an election and your condition prevents you from requesting an application sooner than the Thursday before the election. Call your registrar for an emergency absentee ballot before noon on the Monday before the election.

REGISTER
or you have no choice.

VOTE
the choice is yours.

DON'T VOTE
the choice is theirs.
