BOTETOURT COUNTY ELECTORAL BOARD

November 9, 2020

On November 9, 2020 a post-election meeting of the Botetourt County Electoral Board was held in the Registrar's Office in Fincastle. All members were present, as was the GR/DOE, Traci Clark. Chairman John Rader called the meeting to order at 2:00 pm.

Vice Chairman Steve Vaughn moved to approve the minutes from the meetings held on October 15th and November 4th. The motion passed unanimously.

Traci then presented an updated summary of the results of the November 3rd General Election. This summary differed from the one presented to the Board on November 4th as follows:

1. The 26 provisional ballots approved by the Board on the 4th were added.
2. 34 ballots received in the drop location were added.
3. 34 in-mail absentee ballots received between November 4th and noon on November 6th were added.

Traci then commented that of the total number of in-mail ballots sent out by her office, 236 were not marked and returned. Only 2 had been received after the November 6th deadline so far.

After questions by the Board, and a thorough discussion, Secretary Buck Heartwell made a motion that the summary be approved. The motion passed unanimously.

Traci then reminded the Board that the abstracts certifying the election results would be ready for signing on the following day, November 12th. A budget meeting was then scheduled for December 10th at 2:00 pm.

There being no further business to come before the Board, the meeting was adjourned.
